VIVIDPAR3X4Q 01

VIVIDBAR2 02

VIVIDSTARTER 03

VIVIDPAR3X4Q

3x 4W RGBW Mini Par

The VIVIDPAR3X4Q is a very compact remote controlled LED wash light with the output of larger professional products. Using 3 x 4W RGBW 4-in-one LEDs, this light produces vivid colours that will instantly fill any room or space. The included IR remote control allows the user to chose their colours while the four digit digital LED display gives easy access to programs otherwise. DMX control is there for those who want total control over the effect while built in sound activation means it will change colour to the music.

At the size of a rockmelon, this compact fixture looks great in multiples and is incredibly easy to use. Simply plug in and off you go - instant light show. Looks even better in fog!

Retail Packaging:

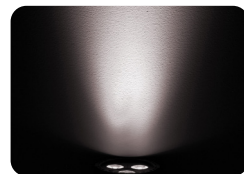

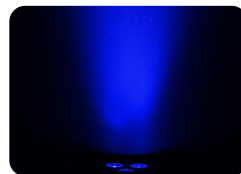

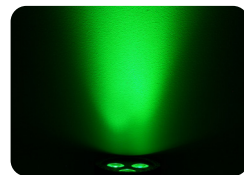

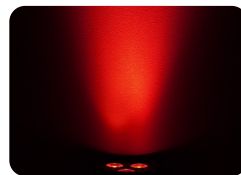

Remote Controller:
(included)

- Dimensions: 128 x 128 x 128mm
- Net Weight: 0.6 kg

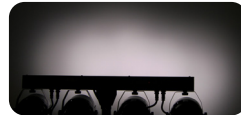

VIVIDBAR2

24 X 4W RGBW LED LIGHTING BAR

Retail Packaging:

Remote Controller:
(included)

Using four compact LED wash lights on a lighting stand, the VIVIDBAR2 provides an instant light show through a total of 24x 4W 4-in-1 LED RGBWs. The included wireless remote allows the user to select single colours or built-in programs while sound activation means the effects will change to the music.

It takes just seconds to set up and pack down and its compact size makes the VIVIDBAR2 easy to transport. Ideal for many applications ranging from home parties to DJs, bands and clubs.
